There is a tremendous need for shoes for the homeless in our local communities. There are over 51,000 homeless in just the greater Los Angeles area alone. Over 6,000 of these are children. Walking is often the only mode of transportation for the homeless. Adequate shoes are vitally important for comfort and to protect the feet. We collect lightly used men's, women's and children's shoes. We then provide these shoes to local organizations that directly serve and distribute the shoes to the homeless and indigent such as rescue missions and homeless shelters. **New socks are also a welcome donation.**

Collection period: April 11-May 31, 2017
