

TEMPLE BETH EL SISTERHOOD YOUTH SCHOLARSHIP FUND

General Information
2018-2019

Through the generosity of Temple Beth El Sisterhood, a Youth Scholarship Fund is available to assist youth of Temple Beth El with the cost of URJ-sponsored, informal educational experiences such as NFTY events, travel and study programs, and other events that meet appropriate criteria.

There are 4 requirements to receiving the TBE Sisterhood Scholarship:

1. Applicant's parents must be members of Temple Beth El in good standing and unless special circumstances exist, applicant must demonstrate qualifications based on merit, or merit and need.
2. Applicants must submit a completed application along with a letter or email of around 100 words stating in what manner they have been involved in the Temple and why they want to attend the particular event.
3. Applications must be received prior to the set deadline for the desired event (details follow).
4. Applicants must write (or e-mail) a thank-you note to the Sisterhood President as well as prepare a brief evaluation using the form provided after the event.

Funds are granted on a first-come-first-served basis. Effort is made to grant as many scholarships as possible per program. As much as we would like to grant scholarships to everyone who applies, there are limited funds available. Therefore, even if an application is received by the deadline, there is a chance that an applicant may not receive the scholarship. *The lifetime maximum for all recipients is \$750.*

Applications may be mailed or emailed to TBE, attention *Youth Scholarship Fund*.

If a scholarship from TBE Sisterhood is granted, a confirmation letter will be sent to the applicant. Assuming we are notified in time, the check will be mailed directly to the *event sponsor*. If after receiving the scholarship, the applicant is unable to attend the event, the funds should be returned to TBE Sisterhood.

Note: Scholarships are listed in the Table of Scholarships. Those meeting merit requirements and needing further financial assistance may indicate so on the application form.
