## Help TBE's Caring Community

Caring for one another is our obligation as Jews. By responding to the calls of our fellow TBE members is a way for each of us to reply "*Hineini*" here I am.

**The Caring Community Committee** reaches out to congregants when there has been a death in the family, when a ride is needed for a medical procedure, or a meal after a hospital stay. **But Without You, We Are One Volunteer Short!**

The Caring Community invites you to help us realize our goal of having every congregant be a member of our Caring Community. The Caring Community is an unusual committee, because to be a "member," you only need to be a member of TBE. When we are made aware of a congregant in need you will receive an email from a Caring Community chair, asking for your help. Please respond if you can, when we perform a mitzvah for others, we strengthen them, our entire community and ourselves.

To join the committee or for more information, please contact Gail Burch.
