

High Holy Days Connecting to Services

This year High Holy Days Services will be virtual.

High Holy Days Services are open to everyone at no charge. We ask that if you are able, you donate to support the services. Donations can be made [online](#) or by check sent to Temple Beth El 1435 W 7th St. San Pedro CA 90732.

There are three ways to connect to services:

[Zoom](#)

Zoom is our primary platform and the most interactive way to connect to services. At the end of services participants can see and speak to friends new and old. Small group programs such as the Social Dinner at the end of our Rosh HaShanah Seder and Yom Kippur Learning Sessions will only be on Zoom.

To participate in services on Zoom, you must register to receive a personal link by clicking above. Your link will be used for all High Holy Days services beginning with *S'lihot*.

Temple Beth El members will automatically be registered and will receive an email from Zoom with their link within the next two weeks. If you do not receive a registration email, go ahead and register yourself as we may not have your preferred email.

[Facebook](#)

Temple Beth El's Facebook page will show services live and they can also be viewed on your own schedule if you missed something. You do not need a Facebook account to watch.

[YouTube](#)

Services will also be livestreamed to YouTube. This is another place you can go to see past services.
